CONGRATULATIONS GRADUATES!

Join us for worship on Sunday, May 22 as we celebrate our graduating students with hand made quilts made by the St. John's Quilters. We will be honoring four students: Connor Rose, Isabella Westerlund, Natalie Henry, and Alexis Phillips.

Connor is the son of Tom and Greta Rose and the older brother to Noah. While attending school, Connor has been very active in all things music, including Concert Band, Jazz Band and Pep Band. Outside of school, Connor enjoys playing piano for different events (including worship) and playing in the St. John's Brass Ensemble. To get away from it all, Connor really enjoys playing video games. After graduation, Connor will be attending the University of Minnesota – Crookston with a major in Information Technology Management and a double minor in Cybersecurity and Music.

Isabella is the daughter of Neil and Stacy Westerlund and little sister to Hunter, Garrett, and Sophia. While attending school, Isabella enjoys playing basketball, softball and weightlifting. She has also worked as a manager for the football team. After graduation, Bella will be attending Central Lakes College with a major in Business.

Natalie (not pictured) is the daughter of Ryan (Beth) Henry and sister to Alex and Hailey. **Alexis** (not pictured) is the daughter of Angela (Nick) Harmon and big sister to Isabelle. **All students were asked to share a little bit about themselves. Two responded.*
