FEB 2023

Love bears all things, believes all things, hopes all things, endures all things. Love never ends.

1 Corinthians 7, 8

## CONFIRMATION RETREAT

On January 20<sup>th</sup> our seven confirmation students, along with Pastor and Tracie Becker and Kathy Larson ventured to Lutheran Island Camp for weekend of devotion, singing, learning and new friendships with students from Perham, MN. On Friday students were welcomed to a delicious dinner, devotion and singing songs together. On Saturday they had the opportunity for instruction time where they studied creation versus evolution. They also had time to

during TAWG (time alone with God) where they were eager to read about Moses in the Book of Exodus to prepare for the upcoming Bible Bowl. They also enjoyed many team building activities together both inside and out. It was a great time together and they want to thank the congregation for supporting them on their faith journey.

## FUN DAY ON THE SNOWY HILL

We had a great time at our annual sledding party / pot luck. Beautiful day, great families, yummy food and lots of laughter. Thank you to Bruce and Debbie Schultz for hosting and to all the families who came to spend the day together.
